Re: Freedom of Information Request (Public Records Request), August 23, 2012,  
Lane County Sheriff's Office Drone Documents

Dear Mr. Wieber:

This letter will acknowledge your request for records in your email of August 23, 2012, at 9:55 a.m. containing requests numbered 1, 2, and 3(a) through (d). Although your request relates to "drones," the Sheriff does have something described as a "UAV." The estimated cost for fulfilling your request is \$373.50.

You have also made a request that Lane County waive any fees associated with your request. Unfortunately, Lane County is suffering from a severe financial crunch and cannot waive the fees. As you have requested, I have provided the estimate in advance. The records can be provided electronically.

If you would like the records, please remit the requested amount to Lane County and your request will be processed.

Very truly yours,

LANE COUNTY OFFICE OF LEGAL COUNSEL

  
Stephen E. Dingle  
Senior Assistant County Counsel
